

# FARTHINGHOE COMMUNITY PRIMARY SCHOOL

Main Road, Farthinghoe, Brackley, Northants, NN13 5PA.

Good afternoon,

We very much look forward to welcoming some of the children back into school next week. Please see below, some pointers and instructions for reopening.

- Please arrive no more than 5 minutes before drop off and collection time. Do not arrive too early as this causes a gathering at the school entrance. Similarly, please do not arrive late, as latecomers cannot be admitted via the office.
- Please adopt the 'drop & go' approach rather than gathering at the school entrance when dropping off at school. We appreciate some pupils will be anxious returning next week, but please support us in encouraging a swift drop off - thank you.
- Pupils line up in socially distanced class lines in the playground. Staff will be on duty to welcome and signpost children to the correct place. Parents please do not enter the playground.
- Pupils should not bring PE kits, large bags, rucksacks or book bags; they just need a water bottle, lunch, sun-hat, coat and a healthy snack. The cloakrooms will be out of use, and therefore we appreciate limited personal belongings.
- The windows and doors are open all day, therefore children will require their cardigan and jumper.
- Our daily fruit delivery is not currently operating, so please send a piece of fruit for your child's snack time.
- All children must bring a packed lunch - there is NO school meal provision. Lunches can be bought in plastic lunch boxes which can be easily cleaned.
- For the remainder of the academic year, we will have a relaxed approach to school uniform. We appreciate that the children have grown in the past 3 months and do not expect parents to purchase additional footwear and clothing.
- Scooters are prohibited from school grounds.
- Children do not require pencil cases.
- Please can we ask that you are mindful when parking near school. Please adhere to the 2 metre social distancing rules when parking on nearby roads and at the village hall.
- Suncream - if the weather improves, unlike in previous years, we will be unable to hold suncream for children to apply at break times. Therefore, please ensure your child has ample covering, before arriving at school.
