Dear Parents,

September 2019

I would personally like to say thank you to everyone involved in raising money for Farthinghoe School Ties (PTA). Your continued support in raising money helps to enhance the school life of our children.

Last year we had a very productive and busy year for the Farthinghoe School Ties team which has resulted in great success.

Over the past year the PTA have had some very positive feedback /comments from the parents, governors and teachers. This has helped us become a successful PTA for the school raising valuable funds.

We raised an amazing £3006.26, which for a small village primary school is an enormous amount of money.

The two key fundraising events for last year for the PTA -

- Christmas Fair - £922.75
- Summer Fair - £1088.12

So continuing to achieve fantastic results this year following on from previous years is great - that is down to the hard work, dedication and commitment that the PTA (and thats not just the committee) but all those parents, carers and teachers that volunteered their time and supported us to "make this all happen"

Some of the events that Farthinghoe School Ties achieved this year included the following

- Discos
- Mother's Day Flowers
- Father's Day Gifts
- Sponsored Read
- Christmas Fair
- Summer Fair

This is not the whole list, but I think you can all agree these events are well worth doing.

So what have we spent the funds we raised on? To name a few -

- Whole School Pantomime Trip
- New Storage Bench for the playground
- New books for the school library
- Coach for the school National Space Centre trip
- Educational toys

So as a chairperson I would like to take this opportunity to say "Thank You" for all the hard work and efforts shown by all those helping to lighten the load. My special thanks go to the following people Lucy Aldous, Kara Billington, John Boyd, Nicole Regelous, Karen Risley, Jill Tapping and Wendy Whitehouse who have supported these events throughout the year.

I hope that the PTA goes from strength to strength and has many new faces with new ideas who will come forward to help in future fundraising activities. After all, we are all doing this to benefit our very own children.

Once again, thank you and well done.
