

Could you help shape the future of our school?

We are seeking a

Local Academy Committee Governor

Governors play a vital role in our school and community, helping provide **strategic oversight**, **support school leaders**, and **improve outcomes** for all our children.

Together, we can make a **real difference** to the education and life chances of every child.

Why join us?

- Make a meaningful impact in your local community
- Help drive school improvement and high standards
- Work with a dedicated team who share your commitment to children and young people
- Gain valuable skills and experience

Who we're looking for

We welcome people from all backgrounds and walks of life who have:

- A commitment to our school and its community
- Good communication and listening skills
- Teamwork and an open mind
- A willingness to learn

No previous experience is needed – just enthusiasm and a desire to make a difference!

What the role involves

As a Local Academy Committee Governor, you will:

- Provide strategic oversight of the school's performance and priorities
- Support and challenge school leaders constructively
- Monitor progress and outcomes for pupils
- Contribute to key decisions that shape our school's future
- Act in the best interests of all children

Support provided

- Full induction and ongoing training
- Access to expert guidance and resources
- Opportunities to develop your skills and confidence
- A supportive community of governors across the Trust

Training is provided for all governors.

Interested, or know someone who may be?
